The response has been overwhelming for this upcoming picnic. The location has been secured. This beautiful and large facility on the Fox River is kept very clean, has modern indoor restroom facilities, many electrical outlets, BBQ grills and a fireplace.

Picnic tables and benches are provided at the grove...however, you are encouraged to bring lawn chairs or blankets (and a pop-up canopy if you wish).

**There will be no fee to anyone for the picnic.**

This will be a family-style picnic...**bring your own food and drinks** (liquor...**IS** allowed on the premises). All liquids **must be in plastic or aluminum containers...no glass please**. If you would like to barbecue, grills are provided at the pavilion, but you will need to bring your own charcoal.

Children, grandchildren, etc. are welcome. There will be organized games with prizes for kids and adults. We will provide any music (boombox). Performance commitments are The Classic Cavaliers and the Royal Airs Reunion Corps. (We are waiting for a few others to also make a commitment).
